

MASTER *of Arts in Ministry*

Specialize in one of a number of ministry skill concentrations.

48 *Credits*

The Master of Arts in Ministry degree prepares you for professional leadership in church, parachurch and ministries other than pulpit/preaching ministry. In addition, the MA in Ministry allows students to specialize in one of a number of ministry skill concentrations. It is an ideal option for foreign mission candidates, denominational administrators, church staff, Christian writers and editors, counseling therapists wishing to integrate biblical theology with their practice, parachurch executives, Christian business leaders or lay Christians who simply wish to serve their

church or ministry with the best preparation available. It is not designed to prepare students academically for doctoral studies or for ordination in those churches that require the Master of Divinity degree.

While pursuing the Master of Arts in Ministry, you will engage with an outstanding faculty in the systematic study of Scripture and theology, be exposed to contemporary theological issues, and learn to think biblically, independently and constructively. You will also interact with a spiritual mentor who will come alongside to help challenge you and refine your Christian character.

- ▮ **Flexibility to stay connected in ministry and seminary**
- ▮ **Ability to complete up to a half of your degree online**
- ▮ **Intentional mentoring by world-renowned faculty and local church leaders**
